EVENT DETAILS

DesignScape is a solo UI/UX design competition where participants use Figma to bring their creativity to life through theme-based website interface design. Participants will craft intuitive and visually compelling layouts based on a surprise theme revealed at the start of the event.

Eligibility

- Open to all college students from any department or year of study with a basic understanding of UI/UX or frontend design.

Mode of Conduct

- Offline - all participants must be physically present for the entire duration of the competition.

Team Size

- Individual participation only

Registration Fees: ₹50 per participant

Event Schedule

- **Date:** 13/09/2025
- **Timing:** 1:00 PM – 3:00 PM
- **Venue:** Library (4th floor)

Rounds

Round 1 – Designing Phase

- Participants will have 1.5 hours to design a homepage or landing page based on a surprise theme revealed at the event. The design must be created in Figma during the event and saved to the participant's pen drive.

Round 2 – Presentation

- Each participant will have a short time slot to present their design to the judges, explaining the concept, theme interpretation, and user experience flow.
